

I Love Learning Preschool has four unique classrooms. Each classroom is equipped with the same activity centers designed to create defined activity areas that limit distractions, foster more complex play, and promote collaborations and socialization.

Within each classroom, you will find the following:

#### Dramatic Play Center

Equipped with fully stocked Kitchen and dress – up cloths!

#### Art Exploration Center

Equipped double sided easels and various art materials and tools!

#### Science Discovery Center

Equipped with natural objects, nonfiction books, and scientific tools such as magnifying glasses, magnets, and microscopes.

#### Student Writing Center

Equipped with dry erase boards, caulk boards and writing materials.

#### Library

Colorful picture books, nonfiction materials, and comfortable cushions.

#### Math and Manipulative

Puzzles, pattern activities, geo boards, counting & sorting objects, and more!

#### Sensory Table

For sand and water play and a variety of sensory exploration activities!

#### Music and Movement

Instruments, parachute, and ribbons galore!

#### Toys and Games

Purposefully selected to help children develop cognitively, emotionally, and socially.

In Addition to the preschool classrooms, I Love Learning Preschool has access to a full-size gymnasium, dance studio, playground, and athletic fields for gross motor development and exploratory learning!
